Be Wise. Stay Alive. Wear Your PPE!

## Helmets

Certified by the manufacturer to meet or exceed DOT standards. Must be properly fastened under the chin.

## Eye protection

Face shield or impact/shatter-resistant goggles. A full face helmet with proper shield provides the best protection.

## Clothing

Long-sleeved shirt or jacket, long trousers, and full-fingered gloves or mittens designed for use on a motorcycle.

## Sturdy foot wear

Leather boots or over-the-ankle shoes must be worn.

## Personal Protective Equipment

A brightly colored upper outer garment during the day and retroreflective at night is required. *Note:* Black is the most common color for motorcycle clothing. Countermeasures should be applied to make riders more visible as pictured above. If the belt is worn, it should be worn diagonally across the shoulder to maximize visibility.
